you are all knowingly, willfully, and intentionally defrauding me.

you are all, knowingly, willfully, and intentionally harming me.

i am the eternal living soul of god and nothing is more sovereign than the eternal living soul of god.

nothing is superior to god. only god is superior to man. dead legal structures are fictitious creatures of law that exist exclusively in the minds of men.

dead legal structures do not have souls to save.

dead legal structures do not have bodies to incarcerate.

dead legal structures do not have minds to meet.

dead legal structures do not have mouths to speak.

dead legal structures do not have hands to sign.

dead legal structures can not represent man.

dead legal structures can not obligate man.

dead legal structures can not act!

acts arise from man.

man is liable for his acts.

actors are liable for their actions.

principal is liable for agent.

master is liable for slave.

you are all acting as agents of and for civilly dead legal structures operating in commercial commerce as instrumentalities of United States on behalf of foreign bankers.

you are all compelling me against my own god given free will and without my fully informed freely given consent, to perform commercial commerce with commercial paper as an instrumentality of United States on behalf of foreign bankers.

this is an absolute indisputable true verified fact. i challenge every man among you to deny this fact.

Paria copulantur paribus. "Things unite with similar things."

Disparata non debent jungi. Unequal things ought not to be joined. Jenk. Cent. 24.

Every man must be taken to contemplate the probable consequences of the act he does. Lord Ellenborough, 9 East, 277. A fundamental maxim in the law of evidence. Best, Pres. § 16; 1 Phil. Ev. 444.

Veritas, a quoque dicitur, a Deo est. 4 Inst. 153. Truth, by whomsoever pronounced, is from God.

Veritas nihil veretur nisi abscondi. Truth fears nothing but to be hid. 9 Coke, 206.

Veritatem qui non libere pronunciat proditor est veritatis. 4 Inst. Epil. He who does not freely speak the truth is

a betrayer of truth.

Vis legibus est inimica. 3 Inst. 176. Violence is inimical to the laws.

i demand a man or woman express this claim in writing with their own wet-ink signature and endorsement notarized under penalty of perjury as true, correct, complete, and certain and not false or misleading and not hearsay.

YOU ARE ALL KNOWINGLY, WILLFULLY, and INTENTIONALLY DEFRAUDING ME!!!

you have trespassed on my land multiple times and ignored multiple no trespassing signs. there is a \$5000 fee for each trespass.

your money is fictitious and represents debt not substance. you have absolutely no way to compensate me for your trespass against me or your trespass on the land and soil in my lawful possession.
